

Lift5 won an iF DESIGN AWARD 2018.

Lift5 was a winner of this year's iF DESIGN AWARD, a world-renowned design prize. The winning product, Wave / F60, won in the discipline "Product". Each year, the world's oldest independent design organization, Hannover-based iF International Forum Design GmbH, organizes the iF DESIGN AWARD.

Wave won over the 63-member jury, made up of independent experts from all over the world. The competition was intense: over 6,400 entries were submitted from 54 countries in hopes of receiving the seal of quality.

More information about Wave can be found in the "Design Excellence" section of the [iF WORLD DESIGN GUIDE](#).

About the iF DESIGN AWARD

For 65 years, the iF DESIGN AWARD has been recognized as an arbiter of quality for exceptional design. The iF label is renowned worldwide for outstanding design services, and the iF DESIGN AWARD is one of the most important design prizes in the world. Submissions are awarded in the following disciplines: Product, Packaging, Communication and Service Design/UX, Architecture and Interior Architecture as well as Professional Concept. All awarded entries are featured on the [iF WORLD DESIGN GUIDE](#), in the [iF design app](#) and are displayed at the [iF design exhibition Hamburg](#).
